GARDENS**

EXPERIENCE our farm

Greenmoore Gardens is a certified organic vegetable farm serving a local CSA and providing produce to restaurants throughout State College.

Camps are staffed by motivated and caring environmental educators. Campers will have fun learning about nature, farming, and sustainability through activities on the farm, in the woods, and in the kitchen.

In addition to exciting activities, all camps include delicious, organic meals and snacks made on-site with ingredients grown on the farm.

Campers will even participate in the making of some of their meals from scratch! Special dietary needs will be accommodated.
